The Herbfarm Application Process

- 1. The Phone Interview:** The personal coordinator reviews applications and will contact you for more information.
- 2. The Profile and Interview:** Upon successful completion of the phone interview, you will be invited to come to the restaurant for a 45-60 minute interview. This involves completing a Personal Profile System related to your to behavior and preferences in the work place. Followed by an interview with your potential supervisor(s).
- 3. The Application:** The application may be completed here or taken with you and completed at your leisure.
- 4. The Try-Out Day:** After the interview, if all goes well, the supervisor will ask you to schedule a try-out day; so both parties can get a feel for the match. This working try-out is paid at the rate you would most likely be paid if you are hired.
- 5. The Nitty-Gritty:** Again, if all goes well, at the end of your try-out day, you will be contacted with a job offer. If you accept the position, you will be asked to schedule an appointment with the personnel coordinator. At that time, you will visit the office to review The Herbfarm employee handbook, employee benefits, and policies and fill out any necessary forms.
